

Brief Bio-Data of Shri.K.V.Rangaswami

Shri. K.V.Rangaswami, is the Advisor to the Chairman, Larsen & Toubro Limited. He retired as the Member of the Board and President - Construction of Larsen & Toubro Limited on 30th June 2011. He headed the Operations of the ECC Division-L&T, the largest construction organization (US\$ 5.8 Bn) in India which operates in Middle East, Africa, SAARC and far-East countries apart from India. Post retirement, besides being the Advisor to Chairman, he is also the Chairman of the Board of two independent unlisted internal companies of L&T – Metallurgical Material Handling Independent Company & Infrastructure Independent Company.

After completing B.Tech from IIT-Madras he joined ECC (A fully owned subsidiary of L&T at that time) in 1965 and since then he has been contributing immensely to the growth of L&T in various roles and capacities. He has been instrumental in designing innovative and cost effective designs for many structures, some of them conceived and designed for the first time in India. He became Whole Time Director of the Company in the year 2005.

Affiliation in Professional bodies:

- A member of the Board of Governors of National Institute of Construction Management & Research (NICMAR)
- A fellow of the prestigious Indian National Academy of Engineering (INAE).
- A fellow of the Institution of Civil Engineers-UK.
- A Member of Board in IIT RAM, Ahmedabad

Personal Awards Received:

- Recipient of “Economic Times ACETECH 2007” Award for professional ethics, achievements and rare contribution in the field of construction & environmental friendly architecture.
- Distinguished Alumnus Award-2002 - IIT Madras.
- “Outstanding Concrete Engineer of Tamilnadu” award for the year 2010 from Indian Concrete Institute, Tamilnadu Chapter
- “Life Time Achievement” – An Infrastructure & Construction Industry recognition Awards from EPC World 2013

Whilst all this forms the core of his activities, he makes it a point to dedicate time and support to contribute something to the society.
