

Inauguration of Center of Excellence at IITRAM

Institute of Infrastructure Technology Research And Management (IITRAM) is established by Government of Gujarat as an Autonomous University and it is instrumental in bringing about a profound change in Engineering Education with specialization in Infrastructure and Management of Infrastructure to create center of excellence, to organize advanced studies and to promote research in Infrastructure and Infrastructure Management. Presently IITRAM offers courses in Civil, Electrical and Mechanical.

An agreement between Industries Commissionerate, Government of Gujarat Siemens Industry Software (INDIA) Pvt. Ltd., Designtech Systems Ltd., India & Institute of Infrastructure, Technology, Research And Management has been done to develop research and innovation in technical education. The Center of Excellence (CoE) is established under this MoU to foster the research and innovation in all branches of engineering.

Today, on 12th August 2014, **Shri Bhupendrasinh Chudasama** Honorable Minister, Education, Higher & Technical Education, Food & Civil Supplies, Science & Technology and **Shri Saurabhbhai Patel** Honorable Minister, Finance, Energy and Petrochemicals, Mines & Minerals, Cottage Industries in the presence of **Shri Suman Bose** Managing Director, Siemens Industries Software (India) Pvt. Ltd and other reputed members from Siemens along with High Officials of Government of Gujarat viz. Dr. Jayanti Ravi, IAS; Shri Kamal Dayani, IAS; Shri Mukesh Kumar, IAS; inaugurated the Centre of Excellence at IITRAM.

At IITRAM, CoE has established relevant laboratories by having Siemens products and Siemens Industry software applications. The equipment which has been given by Siemens are of state-of-the-art level. The laboratories which have been established at IITRAM under CoE, are as follows: MTAB Lab, Rapid Prototyping Lab (RP), MCMT Lab, SITRAIN Automation I, SITRAIN Autotomation II, SITRAIN Mechatronics, SITRAIN Electrical and two computer Labs.
