

8th INNOVATIVE Education Awards 2016 - IITRAM

The Institute of Infrastructure, Technology, Research and Management is honoured by DNA on 18th February, 2016 at Taj Land Ends, Mumbai with a much esteemed 8th **INNOVATIVE Education Awards 2016**. It is a matter of proud to announce that the Award is felicitated as the ***Best Institute in Skill Development Programs***. It is an immense pleasure to receive the Award just after two and half years of institute's inception. The target to excel in Engineering Education is very well recognized in the initial years itself.
