

Elocution Competition by Institution of Engineers (India)

The Institution of Engineers (India) (IEI) is in the Service of Engineering Profession and Engineering Community since 1920. It is a professional society encompassing all disciplines of engineers. Its mission is to effectively promote the general advancement of engineering, engineering science and technology, and their application in India, to facilitate dissemination and exchange of information and ideas amongst the members of the profession and the persons attached to IEI and to extend value based services to the Nation, at all desired level.

IEI from time to time organizes various competitions and activities for enhancement and development of skills of budding engineers. Recently, IEI Gujarat State Centre had organized an elocution competition. Many of the students from the state had participated. It's a proud moment for IITRAM as our student **Ms. Saloni Singh** occupied *second runner up* position in this competition.
