

Institute of Infrastructure, Technology, Research and Management, Ahmedabad

Report of Poster Presentation

The first year students of the institute have undergone summer internship during this summer in various industries, IITs and organizations across the country. The institute have received overwhelming response from industries; and all the students got placed at the industries of their choice with many seats remaining vacant. The students as well as industries gave positive response.

To review and motivate the students further, a poster presentation event was held at IITRAM on 5th August 2014. Delegates from industries as well as academia visited the event where 59 posters were presented. The event was conceived and coordinated by Dr. Ketan Badgajar and supported by Dr. B K Soneji. All the faculty members took active participation in the event.

The following judges have evaluated the posters:

For Electrical Engineering:

1. Dr. C V Srinivasa Rao, Scientist-SG Institute for Plasma Research, Ahmedabad
2. Mr. Sudhir Vala, Scientist, Institute for Plasma Research, Ahmedabad

For Civil Engineering:

1. Dr. Trudeep Dave, Faculty, PDPU, Ahmedabad
2. Mr. Amit Pandya, DGM, Seven Leisure Pvt. Ltd. Ahmedabad

The results of top three students for the event is as follows. The result was prepared on the basis of poster presentation, the internship report and submitted weekly reports

For Electrical Engineering:

1. Kuldeep Kamlesh
2. Nisarg Brahmhatt
3. Akhil Jain

For Civil Engineering:

1. Arihant Jain
2. Parth Modi & Dharamveer Singh
3. Jash Goswami

Feedback received from the visitors are as follows:

It was a great fun interacting with you all. I wish you all a very bright future and more collaboration with Institute for Plasma Research (Department of Atomic Energy) in coming days

Dr. C V S Rao, Scientist, IPR, Ahmedabad

Good initiative to make students learn how to present, skill to answer and prepare the poster through learning. Some of very good in-depth grasping was observed among the students which can be groomed for excellence in research /consultancy. Best of luck for these kind of events in future

Dr. Trudeep Dave, Faculty of civil engineering, PDPU, Gandhinagar

Good effort for poster presentations. Event was nice and students have done good work. I congratulate students for doing well and hope they will keep it up. I also congratulate all faculty members for putting their efforts and making this training and event of presentation successful.

Amit Pandya, Deputy General Manager, Seven Leisure Pvt. Ltd, Ahmedabad

Students have done hard work for their poster presentations. They have achieved a lot of field knowledge during the internship. The management and faculty members of IITRAM have done the right thing to give practical knowledge to the students. Thanks to college faculties. Good. Keep it up.

Mr. Rakesh Khese, Shukun Properties Pvt. Ltd., Ahmedabad

It was a great time and fun with all of you. I am very impressed by your institute and your faculty members. During my visit I had gone through the poster session and it was very impressive. All the students have put up very hard effort to gain knowledge in each subject. I am very thankful to Dr. Ketan Badgajar for inviting me to this great occasion.

All the best.

Mr. Sudhir Vala, Scientist, IPR, Gandhinagar

Presentations of all students are excellent. Really IITRAM is a very good institute which starts students training from the 1st year. Excellent Job.

Mr. Jayant Thaker, Shukun Properties Pvt. Ltd, Ahmedabad
