

## **Editorial Workshop**

Today on 20<sup>th</sup> August, 2014 IITRAM and CRC Press have jointly organized an “Editorial Workshop” on Book Writing. The purpose of the workshop was to make authors aware of the book writing opportunities and how the whole process works and to initiate and encourage writing projects in future.

The keynote speech was delivered by Dr. Gagandeep Singh, senior editor for Engineering and Environmental Sciences at the CRC Press. He has explained how to prepare and submit the proposal, peer review process, signing contracts, understanding copyrights (and how to obtain them), and what facilities they offer to their authors to facilitate book writing. Besides the information and details CRC press has brought many books to display in the institute premises.

The whole event concluded with a positive note that the faculties and students will be benefited with the information provided in the workshop.
