Topic: Counselling

Speaker: Jasbirkaur Thadani, Student Counsellor, IITGN

Date: 01/08/2014

Foundation Program at Institute of Infrastructure Technology Research And Management began with the Counselling session by Jasbirkaur Thadani Student Counsellor from IIT Gandhinagar. She began the session with refreshing and enlightening activities. She asked the students to come out of the framed psyche and also through self-learning exercise cum experiments gave them the idea of not tagging the other in their surroundings. She had two sessions with the students another on the last day of the Foundation Program which resulted into a wonderful experience for the young students to learn about their own psychology and behavior. The students learnt the things with enthusiasm and enjoyed the new way of thinking.
