

## STI Connect Forum at IITRAM for R & D Proposals on State priority areas S & T

Gujarat Council on Science and Technology (GUJCOST), Department of Science and Technology (DST) Government of Gujarat is the implementing agency for the Science, Technology and Innovation (STI) Policy in the state to bring new dimensions in science education and to cater the needs of R&D projects. The STI policy is meant for giving boost to the research and innovation with enhancement of Intellectual Property (IP) in the state.

For the popularization and understanding of the new STI policy amongst active researchers, faculties and research scholars GUJCOST along with IITRAM took initiative to guide researchers for identification of appropriate research problems and to prepare the proposals for funding opportunities available under STI policy.

In the STI Connect Forum, the **STI Policy of Gujarat** along with its following 2 schemes will be discussed:

1. Research and Development in Emerging Fields of S&T
2. Technology Demonstration and Pilot Deployment

During this session, information about the **Intellectual Property Facilitation at GUJCOST** will also be provided.

At the end of the program **an activity session on problem statement drafting** will also be carried out.

**Connect for Online session**  
**26<sup>th</sup> February, 2021 | Friday**  
**3:00 pm to 4:15 pm**

**Registration link (Only for faculty and Research Scholars)**
