

Oral Presentation on 19th September, 2015

IITRAM witnessed a mark of success on 19th September 2015 in the form of *Oral Presentation Event* under the course English Communication HS-1001. With prior declaration of science related topics, more than 110 students from 1st Semester participated wholeheartedly with their rare vigour and energy. The event was a part of Continuous Evaluation Process. In-house faculty members judged the individual presentation on the basis of different parameters like body language, confidence, researched content, overall impression etc. Dr. Meera Vasani, Dr. Urjani Chakravarty, Dr. Gautam Borisagar, Dr. Bhavik Kodrani, Dr. Mohit Sharma, Dr. Saumya Bajpayi, Dr. Jaydevi Jeyaram and Mrs. Krupa Shah evaluated their performance. The students were highly motivated by the feedback from the judges after their presentation. This event gave them an insight and hands-on training on how to face audience and make a presentation on science and technology.
